

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 10/22/20

Start time: 5:12 PM, at the Redwing Field

Present: 10 members, 0 guests

- Minutes from the previous meeting were accepted as posted on the club web site.
- Warren Batson noted that there are no new members since the last meeting.
- Peter Jagich mentioned that there is no financial report from Fred DiMaria, and that it is basically the same from last month.
- Peter presented to the membership the proposed budget for next year put together by Fred. Warren Batson made a proposal to adopt in the budget that the budget be divided amongst members by not having a distinction between those who had work hours or not. All would pay the same amount. This is due to the fact that there was no Jamboree this year to perform work. Otto Loorents seconded the motion, and all present voted in favor.
- Field report, Redwing: Peter will check with the field owner regarding the lacrosse teams using the field, and their intentions going forward. We still have Thursday evenings at 5:00 and on for our use. Weekend activity at the moment is uncertain.
- Peter proposed changes to be made to the Bylaws to handle voting via email or virtual during “Zoom” meetings due to the current Covid-19 impact to regular meetings. Peter made the motion, Rob Schulze seconded the motion. A vote will be made at the November meeting.
- The proposed slate of officers for next year stands as follows. Anyone interested in running for a position should get in contact with any board member.
