- Flavio Ambrosini reported that we are on track for the Scale Building Seminar in January. The date has been reserved with the church. Peter Jagich will send out a note to the club membership and to the AMA for the event.
- Peter said that he is looking into the possibility of having the club participate with a local community day event this spring/summer. He is looking into both Lagrange and Union Vale.
- Fred discussed the budget proposal for next year. Since there was not enough membership turnout for the meeting, a quorum could not be attained. We will have to wait until the next meeting to vote on the budget.
