

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 11/9/2009

Start time: 7:18 PM, at the Poughkeepsie United Methodist Church

Present: 24 members

- Jonathan Elie again setup his r/c flight simulator and projector for everyone to try. Thank you Jonathan for your efforts.
- Jim Wood brought in his latest building project, Playboy (#6). It is ready for covering, and motor setup.
- Bob Allen brought in his Great Planes Eagle 580. It is an electric ARF weighing in at approximately 5 lbs.
- Warren Batson brought in his work in process, a Balsa USA ¼ scale Fokker D7, powered with a G38. Warren explained some of the detail work that is built into the model.
- John Philbrick continued his discussion on Lypo battery safety by showing a new 4 pouch version of the “Lypo Sack”.
- Lloyd Quick led a discussion on A123 battery packs.
- A reminder that the Wallkill field is closed for flying until next spring.
- Warren mentioned that the gate at the Redwing field was not locked properly. A reminder to take care when locking the gate.
- The club holiday party will be on Dec 4th, at Coco’s Pasta and Grill. RSVP to Jim Rangitsch with reservations and payment prior to 11/30/2009. There is a limit of 30 tickets.
- The election slate of officers for 2010 was proposed and any other additions requested. John Philbrick made a motion to accept the slate, and Ron Revelle second the motion. A vote was made with members present. All voted in favor with no nays. The board for 2010 is as follows:

President -	Warren Batson
Vice President -	Vic Horton
Secretary -	Flavio Ambrosini
Treasurer -	Whitney Philbrick
Membership -	Rob Stubbs
Field Directors -	Jonathan Elie (Hopewell Field) Rick Rizza (Wallkill Field) Rob Schulze (Redwing Field)
Flight Training -	Walt Ericson
Safety Coordinator -	Jerry Rohling
Newsletter Editor -	Ron Revelle
Directors At Large -	Bob Allen (3 rd year) Rick Knight (2 nd year) John Philbrick (1 st year)

Meeting adjourned: 8:20 PM

Minutes submitted by: Flavio Ambrosini
