

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 2/4/2019

Start time: 7:08 PM, at the Poughkeepsie United Methodist Church

Present: 16 members, 0 guests

- Neal Biener reported that at the present, approximately 20 members have renewed their membership. A reminder that applications are accepted at the meetings if you wish to.
- Fred DiMaria reported on the club's financial status.
- Rob Schulze reported on the Redwing Field conditions. At the moment it is a sheet of ice from the flooded pond.
- Warren Batson mentioned that the sanction is in with the AMA for this year's Rhinebeck Jamboree. He is still submitting one for the spring Fun Fly.
- Neal noted that there is a nice article in this month's AMA magazine about the Rhinebeck Jamboree. He will write and send a thank you note to the AMA for the article.
- Peter Jagich reminded members that the AMA Expo East is coming up at the end of this month in New Jersey.
- A question was raised on the status of the Wallkill field for this year. Peter said that there is no new news at the moment. A discussion followed.
- Warren mentioned that he is working with Mike DiGiacomio at the Aerodrome to prepare and put in place a rock for the plaque from the AMA.
- Jer Milosek presented and talked about 3D printing. Jer discussed some of the issues and concerns involved with 3D printing and passed around sample pieces that he created.

Meeting adjourned: 7:55 PM
