

19:06 Meeting called to order with 8 attendees

- 8 in favor of accepting last meetings minutes
- Introduction of new member
 - Roxanne Patton
- Membership Report
 - Warren and Flavio are using shared Google Sheets to maintain membership list
- Treasurer Report
 - Fred read the report
 - Report accepted and passed by all attendees
- Field Report Redwing
 - Wet, but available to fly. Most obstacles have been removed with only the rope climb in the Northeast corner remaining
- Field Report Walkkill
 - Lease has been submitted and to be reviewed by hunting club board their following night
- Current business
 - Club charter submitted
 - Redwing, Walkkill and ORA are all FRIAs
 - Frost Fly discussed. We had 3 flyers
 - Church rent has been paid
 - Scale Seminar will be held March 23. Agenda is forthcoming, may include Spektrum radio configuration
- Old Business
 - Pete J. got Redwing FRIA approved and on AMA map
- New Business
 - Need a secretary.
 - Sanction for Jamboree is approved
 - Sanction for Spring Fun Fly has been submitted, but unclear whether it is approved yet
 - Discussed whether we should have a Float Fly. Flavio will send a note as follow up.
- Open Discussion

- Fred asked about how to get empennage incidence correct. After lively discussion, the general consensus was to use a laser.
- Flavio presented 3D printed eagle

Moved for end of meeting, seconded and approved by all.

Voluntarily submitted by Rob Schulze
