

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 3/2/20

Start time: 7:05 PM, at the Poughkeepsie United Methodist Church

Present: 15 members, 0 guests

- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Fred DiMaria reported on the club's financial status.
- Warren Batson noted that so far 37 of 50 members have renewed for this year.
- Field report, Redwing: Peter Jagich said that he had spoken to the owner of Redwing. The owner mentioned that the obstacle course person is interested in buying the property. We do not know the intentions of the course owner if he does buy the property, in regards to our continuing usage of the field.
- Field report, Wallkill: Peter has not been successful in contacting the owners for setting up the lease. Bill Bernart will try to contact for us.
- Peter mentioned that there is no further information regarding the upcoming community days for Lagrange and Union Vale. He did note that Lagrange will provide electricity for our use.
- A reminder that Project Night will be held at next month's meeting.
- Bill Bernart brought in his ½ scale Fokker D-8 project for show and tell.

Meeting adjourned: 7:37 PM
