

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 3/5/2012

Start time: 7:10 PM, at the Poughkeepsie United Methodist Church

Present: 27 members and 2 guests

- Charles Knight brought in his electric powered foam B-17. Powered with four electric motors, 73" wingspan, split flaps, retracts, onboard lights, and a realistic finish.
- Rick Rizza showed off his latest Learjet project from Hobby Lobby, powered by twin electric fans.
- Flavio Ambrosini brought his Curtiss Robin electric plane that he has been working on from an old Davey Systems kit.
- Warren Batson showed off his DH-89 Dragon Rapide plans that he is working on for his next scale project.
- Jonathon Elie brought his FancyFoam MX2, 3D plane, weighing in at 4.8 ounces.
- Warren went over future events and dates that are coming up;
 - March 31st, Dutchess RC / MHRSC "Radio Control Swap Shop", in Pleasant Valley. Details are on the club website.
 - April 1st, opening day for the Wallkill field.
 - April 2nd, General meeting including Project Night.
 - April 14th, work party at the Wallkill field.
 - April 28th, work party at the Redwing field.
 - May 19-20, float fly at Lake Taconic.
- Glenn Stubbs discussed the topic of having a fun-fly at the Redwing field in July for the young folks from his church. Glenn will work with the board further on this.
- Warren noted that there are 53 membership renewals at the moment.
- Whitney Philbrick went over the club financial report.
- Warren thanked the members that put forth a tremendous effort by quickly putting together a poster to be used for the Rhinebeck Aerodrome fund raising campaign. A special thanks to John Philbrick.
- Warren mentioned that there is a work party this coming Sunday, March 11th, at the Aerodrome, to continue clearing brush from the parking lot area.
- Ron Revelle reminded members that material is always welcome for the club newsletter.
- Ron discussed some of the work that he doing with the AMA, and the "leader members" activity that is going on.

Meeting adjourned: 7:55 PM
