

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 3/6/23

Start time: 7:04 PM, at the Poughkeepsie United Methodist Church

Present: 9 members, 0 guests

- Minutes from the previous meeting were accepted as posted on the club web site.
- Flavio reported for Warren, that currently membership renewals are in except for six members.
- Fred DiMaria reported on the current treasury status.
- Field reports: Rob Schulze noted that the Redwing field is in good shape. The entrance gate has been left open a lot lately and is probably due to Verizon crews working on the transmission tower on the hill.
- Peter Jagich reported that the lease is all set for the Walkkill field. There will be a work party on April 15th.
- Flavio reported for Warren in regards to the “building” seminar that is scheduled for April 1st.
- Peter mentioned that the AMA has been in contact with him looking for general information in regards to the application for the “FRIA” registration.
- Peter noted that the AMA is looking for donations for the US Scale team.
- Otto Loorents mentioned that he has a portable generator with low hours for sale. He will bring more information at the next meeting.
- Flavio brought in a work in progress of a DC-6 “3D”printed airplane that he is working on. Approximately 76” wingspan, 8 pound target weight, and will be powered by 4 electric motors.

Meeting adjourned: 7:40 PM

Minutes submitted by: Flavio Ambrosini
