

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 4/9/2018

Start time: 7:15 PM, at the Poughkeepsie United Methodist Church

Present: 25 members, 0 guests

- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Fred DiMaria reported on the club treasury status.
- Field Reports: Wallkill road is in good shape in comparison to last year. The porta potty company will need to be called to have the unit cleaned. A roller will be dropped off this Friday for the work party this weekend.
- Work party this Saturday for Wallkill. Not a lot to be done. Safety stations will need some attention. Rob Schulze will pick a date for the Redwing work party.
- Warren Batson reminded members of the ORA Funfly coming up in June. We can use some help in running it.
- The June meeting has been moved to the 9th due to the funfly event.
- Probationary member Frank Tolocka was voted in as a regular member by all those present.
- Peter Jagich mentioned that ORA will be having spring work parties to get ready for the upcoming season. They will be held on Saturdays, 4/15, 4/22, and 4/29, starting at 9:00 AM. If you are interested in helping out, just show up. If you do help out, let us know to record your work time.
- Warren gave us an update on the ORA Sopwith Dolphin restoration project.
- Project Night: There were 9 entries this year:
  - Charles Knight: BeeGee Racer (1st Place)
  - Neal Biener: J-3 Cub, electric
  - Bob Magee: Glider, 11.5 foot wingspan (2nd Place)
  - Neal Biener: Spectra Glider
  - Peter Jagich: Flight Streak, C/L converted to R/C
  - Rich Keinhenz: Sea Gull twin electric (3rd Place)
  - Fed DiMaria: RCM Trainer 40
  - Randy Woods: DeHavilland Twin Otter, electric
  - Bill Bernart: Super Taiji pattern plane

Meeting adjourned: 8:30 PM
