

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 5/6/2019

Start time: 7:05 PM, at the Poughkeepsie United Methodist Church

Present: 8 members, 1 guest

- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Peter Jagich read the club's financial status report that was prepared by Fred DiMaria.
- Warren Batson mentioned that he will be doing fly training again this year. He is preparing the new club electric trainer for use.
- Peter noted that the current club membership stands at approximately 45 members.
- Redwing field status: field is still currently  $\frac{1}{3}$  under water.
- Wallkill field status: entrance road in is in good shape. The field is mowed and in good shape, but very wet due to recent rains.
- Bob Magee discussed several possible options for finding a new flying field. A discussion by members followed.
- Warren noted that the ORA Spring Fun-Fly is scheduled for June 1-2.
- Warren mentioned that repair work is needed on the club trailer. Just waiting for some decent dry weather. Will put together a team to help work on it.
- Peter reminded members that the position of club Vice President is still open and looking for a volunteer.
- Reminder that the club annual "Float-Fly" is scheduled for May 18, at Lake Taghkanic State Park.
- Next club meeting in June will be a field meeting at the Wallkill field. Reminder to bring your own lunch and drinks.
- Peter noted that one of the flight benches needs some repair work. And that tic control still needs to be put down when conditions improve.
- John Cossa brought in a electric powered Tiger Moth for show and tell.
- An extra gift certificate left over from Project Night was raffled off, and won by Peter Jagich.

Meeting adjourned: 7:48 PM
