

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 5/7/2018

Start time: 7:05 PM, at the Poughkeepsie United Methodist Church

Present: 18 members, 0 guests

- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Fred DiMaria reported on the club treasury status.
- Neal Biener reported that approximately 63 members have renewed for this year.
- Field Reports:
 - Redwing: Rob Schulze noted that the field is in good shape. Careful when parking due to the wet ground. Weeds are in need of trimming, any help is appreciated. Roger will be cutting the field.
 - Wallkill: The owners of the field will be constructing a new club house on the field and have already started. Warren showed members aerial shots of the location of the new club house, and possible locations in the immediate area. A discussion followed concerning this. The adjacent fields that are owned by the gun club are not very suitable. The owners are OK with us shifting our runway location. Warren will be marking the possible new location of the runway. Rob VanDerMeulen will keep an eye on the construction progress. A work party might be needed in the future.
- A reminder that the ORA Spring Funfly is coming up. There seems to be more interest this year, gauging by the number of inquiries.

Meeting adjourned: 7:50 PM
