

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 6/9/2018

Start time: 10:00 AM, at the RedWing Field

Present: 12 members, 0 guests

- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Fred DiMaria reported on the club treasury status.
- Biener reported that approximately 63 members have renewed for this year.
- Field Reports:
 - Redwing: Rob Schulze cut down the overgrown brush on the north and south ends of the field. We will need a work party to collect the trimmings and run them thru a chipper.
 - Wallkill: Warren, Peter, and Bob have setup the new repositioned field outline. Peter has setup the flight stations. The setup tables still need to be moved over. The port-a-potty is not accessible at the moment for servicing due to the construction going on.
- Peter extended a thank you to Warren for putting on the ORA Spring Funfly. The weather was not the greatest, but otherwise all went well.

Meeting adjourned: 10:30 AM
