Warren will also look into the possibility of setting up a group rate for family members to be used by pilots and the membership.
- Redwing Field report. Peter Gregory noted that there is good usage of the field during the week and especially Thursday nights. Rob Schulze mentioned that there will be a need for a work party next year to “brush hog” and take down small trees on both ends of the field.
- Warren read the treasury report prepared by Fred DiMaria.
- Rick Rizza discussed procedures and concerns related to the flight line at the Jamboree. Also discussed was the concern of “spotters” at the Jamboree taking pictures while performing “spotting” duties. This will be address by Warren at the Jamboree.
- Peter Gregory raised the idea of possibly having a “Float Fly” at Lake Taghkanic during the fall months. Everyone seemed positive to the idea. Peter will talk to Jerry Rohling about this.
