- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Peter Jagich presented the current treasury status as prepared by Fred DiMaria.
- Neal Biener reported on the membership status. Peter was able to contact two members that had forgotten to sign up this year.
- Field report for Wallkill: The closing work party for the field will be at the end of the month. Peter will send out an email to remind members. Fred asked the mower guy to mow the field on Thursdays. The porta-potty has been moved but is not staked down. If someone can weed whack around the fences, that would be great.
- Field report for Redwing: Rob Schulze still has not had success in conversing with the obstacle course owner.
- Peter and members offered Warren Batson and Ron Kiedaisch a big thank you for a job well done in running and preparing for this year's Jamboree.
- Warren reported that the Jamboree went well this year. The weather was great the whole weekend. Contestants were arriving earlier than normal this year. Tents were already be setup on the Monday before. By Wednesday, 40% of the contestants were there. We will need to look into adjusting registration next year to help alleviate bottlenecking Friday morning. Suggest starting a day or two earlier.
- Bob Allen mentioned that there is interest in having a scale building seminar again like was done several years ago. Rob Schulze made a motion to hold the seminar this coming January, approximately the second Saturday from 10:00am to 3:00pm. An inclement date would be the following Saturday. Otto Loorents seconded the motion. All voted in favor with none against. Flavio Ambrosini will work with the church to reserve the dates.
- Otto Loorents mentioned that there is a float fly up in Binghampton this month.
- Warren Batson made a motion to hold the Rhinebeck Jamboree next year. Bob Allen seconded the motion. All voted in favor with none against.
- Peter reminded members that election for next year's club officers is coming up soon. If anyone is interested in running for a position, please see any of the board members.
