- Fred DiMaria reported on the club's financial status. Fred will have a Jamboree summary report after he has received all outstanding related expenses.
- Wallkill field report: The field is available up to the end of the month. After which it will not be available for our use until next spring.
- Redwing field report: The field is still available Thursday evenings, and a hit/miss on weekends.
- Warren Batson reported on the Jamboree. Everything went well, even though we were short handed on available help from club members. The pilot turn out was good considering that there was a group of pilots that could not attend from Canada due to travel restrictions. A big thank you to Warren for his efforts on running the event. A big thanks also to the Chair personnel and members that help to put on the event.
- Probationary member John Cossa was voted in as a Regular member.
