

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 9/26/20

Start time: 9:10 PM, at the Wallkill Field

Present: 9 members, 0 guests

- Minutes from the previous meeting were accepted as posted on the club web site.
- Warren Batson noted that the club membership is at approximately 47.
- Peter Jagich reported on the club's financial status for Fred DiMaria.
- Field report, Wallkill: This is the last weekend for the flying season for Wallkill. We will break down the field equipment today after the meeting. Warren will be picking up the flight tables to bring home for repairs at a later time.
- Field report, Redwing: There has been a good turnout of members each Thursday evening. Peter will check with the soccer people to understand when they will be finished using the field on Saturdays.
- Next month's meeting will be at the Redwing field for now unless other arrangements are made.
- Warren updated the members present with what is going on up at the Aerodrome.
- Peter mentioned that the board will look into possible changes to be made to the Bylaws to handle voting via email or virtual during "Zoom" meetings.
- A reminder to all to renew their FAA registrations that are due the end of this year.
- If we do have a meeting via "Zoom", Peter will send out instructions to members on how to join.

Meeting adjourned: 9:30 AM
