

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 1/4/21

Start time: 7:00 PM, via Zoom Meeting

Present: 15 members, 0 guests

- A discussion was held on the latest rules that have been published by the FAA. It appears that this year's Jamboree will not be affected.
- Minutes from the previous meeting were accepted as posted on the club web site.
- There is no treasurer's report for this meeting.
- There are no new members to report on.
- Wallkill field report: The field is in good shape per Bill Bernart.
- Redwing field report: No new news.
- Reminder that there will be a "Frost Fly" on January 9th, 9:00 am, at the Redwing field.
- Warren will be working with Tom Polapink in regards to setting a date for the ORA Spring Fun-fly.
- Peter noted that this year's Project night will be moved to the May monthly meeting. This would open the possibility of holding the event at one of the flying fields.
- Peter is waiting for a response from Jerry Rohling for finalizing a date for this year's Float Fly at Lake Taghkanic.
- Bill Bernart showed off his foam jet. He also discussed and showed his progress of his latest project, a ½ scale Fokker D.VIII.

Meeting adjourned: 7:30 PM
