

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 1/4/25

Start time: 9:05 AM, at the Redwing Field

Present: 6 members, 0 guests

- Combined “Frost Fly” and meeting. No snow on the ground and cool temps. Several flights by members were successful.
- Meeting minutes from the previous month were accepted as posted on the website.
- Redwing field report: Field in good shape. Some of the old obstacle course objects have been removed by the field owners, Paul and son.
- Wallkill field report: No new news.

Old business:

- Club members voted via email on hat logo designs, and design #1 won. Roxanne will get with the hat maker to finish getting quotes.

New business:

- Flavio mentioned that a local FBI agent based across the river has been reaching out to clubs to have a chat regarding “drone” activity that has been in the news. Flavio and Dave Messina had a conference call with him to discuss what we are all about in regards to club rules and structures and our stance with drones and model flying. A positive meeting with back and forth discussions.
- There is interest again to have a scale building seminar this year. Warren is working to finalize information on this.

Meeting and flying adjourned: 10:30 AM
