

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 1/7/2013

Start time: 7:06 PM, at the Poughkeepsie United Methodist Church

Present: 26 members and 2 guests

- Field reports: Wallkill; nothing to report. Redwing; Warren Batson mentioned that Roger Stabe will send an email out if he plows the roadway to the field in the case of snow.
- Warren noted that the “Frost Fly” held on January 5<sup>th</sup>, went well. The temperature was warmer than forecasted, and the winds only picked up around 11 AM. There were 9 club members and 1 guest present.
- Treasurer’s report: no updates from last month.
- There will be a “member photos” page setup on the club’s website for the purpose of helping to familiarize with members of the club. This page will be “password” protected. Members can give or send a photo of themselves to Flavio Ambrosini.
- A reminder that the “Scale Building” seminar is coming up on January 19<sup>th</sup>.
- A reminder that membership applications and renewal forms can be found on the club’s website.
- Otto Loorents brought in his Corban Ace. Controlled with 3 channels and powered by a KB 40. It is painted with dope.
- Charlie Knight brought in his Decathlon, made by Phoenix Models. It is powered by a “46” sized motor and a 5 cell “lipo” pack. Weight is approximately 6 pounds.
- Warren brought in his ¼ scale Sig Piper Cub that he is repairing from an earlier crash. The plane is being converted to electric power, with an E-Flight 90 motor.
- Lloyd Quick did a presentation on “spectrum frequency” radios. Along with discussing the history of 2.4 systems, Lloyd projected real-time analysis of different systems that members brought in.

Meeting adjourned: 8:45 PM
