

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 2/1/25

Start time: 9:10 AM, at the Poughkeepsie United Methodist Church

Present: 8 members, 1 guest

- Meeting minutes from the previous month: Peter Jagich noted one change needed. Flavio will update. Otherwise accepted as posted on the website.
- Fred DiMaria presented the current treasury report. All accepted as presented.
- Membership report: Warren noted that approximately a dozen members have renewed so far. Reminder that renewals are due by March 1st.
- Redwing field report: No new news.
- Wallkill field report: Ron Salsbury noted that the repairs on the nearby bridge that spans the Wallkill River is now complete. Should now be a lot easier for local navigating.
- New prospective member Dan Woodruff introduced himself.

Old business:

- Club hats and shirts. We will need to vote on a main color to use. Also should look into making up “Staff” shirts for the Jamboree.

New business:

- Scale building seminar will be on March 29, at the church.
- Atoms RC is holding their annual swap meet February 8th, in NJ.
- ORA Spring Fun Fly: Warren will work to confirm a date for this year.
- Jamboree: Warren and Flavio will work to set up the sanction, and to get the information flyer posted on the website.
- Dutchess Airport Day: Flavio mentioned the desire to possibly participate with a tent setup to display models. Glenn Stubbs mentioned that he will contact the airport secretary for information.
- Warren mentioned that he has the two club trainer models, and that they are no longer needed. It was suggested that we auction them off at a future meeting. All agreed.
- Glenn discussed some issues and reminders concerning safety.
- Roxanne and Flavio brought in their “Bloody wonder” models that are or have been built for the club combat events to be held this summer.

Meeting adjourned: 10:15 AM
