

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 2/4/2013

Start time: 7:11 PM, at the Poughkeepsie United Methodist Church

Present: 19 members and 1 guest

- Warren Batson reminded members that it is time to send in membership renewals. Please mail them directly to Rob Stubbs.
- Field reports: Wallkill; nothing to report. Redwing; it is in flyable condition.
- Fred DiMaria went over the club's financial report.
- Warren noted that the paperwork for the club charter, and the Jamboree sanction is being worked on now for submission to the AMA.
- Warren received a letter from an RC club in Rockland discussing a model air show that will be held in August. The date and info will be added to the web calendar of events.
- Ron Revelle mentioned that he will go ahead and apply again for the AMA "Leader Member Club" status, on behalf of the club.
- Jim Wood brought in a display of old time spark plugs, used for model engines.
- Jer Milosek brought in his ESM kit P-51, a 71" wing span size model.
- Rick Rizza brought in his DH4 project, a stick and tissue construction with electric power. Rick also showed off his F-16, powered with an electric ducted fan. It uses a catapult for launching.
- Flavio Ambrosini brought in his Balsa USA, 1/4 scale J-3 cub that he is working on.
- Warren showed his Cub cowl and engine detail work that he is working on for his rebuild project.
- Lloyd Quick showed his "Snoopy Dog House" version of his quad copter.
- Bob Magee put on an excellent presentation and discussion, on his work with competition level electric gliders. He also demonstrated foam cutting with his homebuilt apparatuses, for creating his glider wings.

Meeting adjourned: 9:30 PM

Minutes submitted by: Flavio Ambrosini
