

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 3/3/2014

Start time: 7:05 PM, at the Poughkeepsie United Methodist Church

Present: 25 members, 4 guests

- Warren Batson noted that the club's Bylaws state that general meetings are to be run using the "Robert's Rules of Order" steps, so he will do as such.
- Minutes of previous meeting – the minutes are on the web, and all present voted to accept as posted.
- Field reports – Rob Schulze has no updates for the Redwing field at the moment due to the fact that the field is not accessible because of the snow. Rick Rizza has sent the check for the Wallkill field to the owner.
- Upcoming activities – Warren mentioned the following activities coming up in the next few months.
 - Project night, April 7
 - Field work parties, Wallkill - April 12, Redwing - April 26
 - Float Fly, May 10
 - Boy Scout's day display, May 17. Flavio Ambrosini will be in charge.
 - ORA Fun Fly, May 17-18. Warren is heading this.
- Treasury report – Fred DiMaria reported on the club's treasury status.
- By Laws update – The proposed revision of the By Laws was previously sent to all club members. A motion was made by Ron Revelle to accept the revisions as presented. The motion was seconded by Lloyd Quick. All voted with 25 "yes", 0 "no", and 0 abstains.
- New member process – Warren mentioned that the Board is working on a proposal and should have ready for review in the next few months.
- Web site – a reminder for members to provide pictures of themselves to be added to the club's website "member" page.
- Ron Revelle mentioned that as part of the "Gold Leader Club" status, the club will donate a magazine subscription to a local school. It was suggested that the Highland Middle School be selected since indoor flying activities are being held there.
- Larry Kunz showed off his homemade transmitter case.
- Lloyd Quick talked about a new gyro system that he had purchased.
- Jonathan Elie demonstrated a working model of an elevator systems project that he put together for a college class. It includes a modified servo system to power it.
- Rob VanDerMeulen said he could put together a future demonstration on laser cutting, if there is interest with the club members. All present were in favor of this.

Meeting adjourned: 8:45 PM

Minutes submitted by: Flavio Ambrosini
