Date: 7/7/2012

Start time: 12:35 PM, at the Wallkill Field

Present: 22 members and numerous guests

- Ron Revelle presented to Warren Batson and the club, the AMA “Gold Leader Club” status award.
- Warren noted that the issue with the neighbor at the Red Wing field is still ongoing. Please keep flying within the tree line of the field.
- The Rhinebeck Jamboree is coming up. All paperwork has been processed, and committee chairpersons are being designated. Everything is falling into place.
- A reminder to use the small membership card that was provided to all members for use with the frequency pin identification.
- The day’s fun-fly events were put together by Jonathan Elie, and the food was organized and prepared by Lynda Elie. There were 19 members signed up to fly, and 16 that were actually able to compete for the great array of prizes up for grabs. All had a great time even though just about all were humbled with their attempts with the “egg drop” event. Again the food was plentiful and great. A big thanks to Lynda and Jonathan for all of their efforts. The winners were:

 - 2nd/3rd Place tied: Warren and Nick Batson
 - 4th Place: Rick Rizza
 - 5th Place: Zach Faber Manning
 - 6th Place: Larry Kunz
 - 7th Place: David Simons
 - 8th/9th Place tied: Whitney Philbrick and Jim Rangitsch
 - 10th Place: Joe Klein
 - 11th Place: Mathew DeHaven
 - 12th/13th tied: Bill Lederer and Charles Knight
- The August field meeting will be at the Wallkill field. Jer Milosek will be running the day’s event titled, “Old Timers Day”. The emphasis will be on demonstrating old model airplanes, equipment, and meeting Life Members of MHRCS.
