

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 8/1/2015

Start time: 10:50 AM, at the Wallkill Field

Present: 21 members, 1 guest

- A “thank you” to Peter Gregory and Flavio Ambrosini for preparing the food the meeting.
- Our Activities chair person has been tied up with work related schedules. So there is a need for someone to be able to take over the duties of that position. Please see a board member if you are interested in helping out.
- Warren Batson reminded everyone that we are all guests at the Wallkill field. Remember to not drive vehicles out into the hay field, and to take care when walking out to retrieve a model. If you do crash a model, take extra caution to pick up ALL pieces. The hay is used to feed horses and needs to be kept free of foreign matter. Keep a garbage bag handy for this purpose.
- A reminder to new members that if you find yourself getting into trouble when flying, to call out for assistance. There is no shame in doing so, and is better to save a model (and possibly the field use).
- A “thank you” to Jer Milosek for his efforts in putting together the club’s newsletter.
- Warren noted that the Jamboree is coming up. We will be experimenting with “mission” flying like in the old days, to possibly include with the 50th anniversary Jamboree. Also, chairpersons will be communicating shortly looking for volunteers.
- Warren discussed field use at the Redwing field. We do have permission from the property owner to use field #3, but remember that sports activities take precedence. The grass cutting height of the field cannot be made any lower due to the sports use. We are still able to use field #4, but need to take extra caution to remain within the treeline property area.
- A committee is in the process of looking into possible new flying field locations.
- Ron Revelle made a motion to have the Wallkill field renamed as the “George Buso Memorial Field”. A vote was made with all as “yes”, and none with “no”.
- Rob Van Der Meulen mentioned about the Binghamton Fun Fly that is coming up.

Meeting adjourned: 11:10 AM
