

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 9/17/2018

Start time: 7:04 PM, at the Poughkeepsie United Methodist Church

Present: 11 members, 2 guests

- The minutes from the previous meeting located on the club's website, were accepted as posted.
- Peter Jagich reported on the club treasury status and Jamboree initial report from Fred DiMaria.
- Field Reports:
  - Redwing: Field was just mowed and in good shape. There is some raking needed on one side of the field. There is no new progress noted on the obstical course that is being setup around the field. Peter Jagich will check with the field owner for any new news.
  - Walkkill: The mowing of the field by the new person is not low enough. There are only two weeks of flying left, and Pete will request to have at least one more mowing.
- Warren Batson reported on the Jamboree. The event went well with no major incedinces. Positive feedback from the contestents and club members. Warren will be the CD for next year, but will need someone to do the organizing and running of the event. A big thanks from the members to Warren for all of his time and effort in running the event.
- Peter reminded members that we are in need of someone to help with the CD position and that election of officers for next year is coming up. If you have an interest in one of the board positions, please let us know.
- Peter brought in some models and supplies from an past member who is getting out of the hobby. All free for the taking.
- Warren made a proposal to the club for acquiring an electric "Apprentice" trainer for use at the Redwing field as the club training plane. The price is \$300 for everything ready to go, from someone who is looking to sell the whole set. Rob Schulze second the proposal. All voted yes, with none againts.
- Brad Quick showed off his scratch built electric Cub that he made from Duraplast plastic boards. Easy to use material that is pre colored. The plane flys great and has plenty of available power if needed.

Meeting adjourned: 7:54 PM
