

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 9/21/2015

Start time: 7:03 PM, at the Poughkeepsie United Methodist Church

Present: 18 members, 0 guests

- The minutes from the previous meeting, located on the club's website, were accepted as posted.
- Wallkill field report: Ron Revelle mentioned that the flight benches and picnic table need to be moved over to the shed for storage through the winter. Last day for flying is September 30th.
- Fred DiMaria reported on the both the Jamboree and club financial statuses.
- Warren reported on the Jamboree event. Overall the Jamboree went well. Attendance was down on Sunday. The weather held out for the model flying, but did impact the real show on Saturday. The board will be evaluating areas of concern that could be improved for next year.
- General discussion on member's take on the NEAT fair that took place the week before.

Meeting adjourned: 7:40 PM
