

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 11/4/24

Start time: 7:00 PM, at the Poughkeepsie United Methodist Church

Present: 6 members, 0 guests

Roll Call

Minutes: Pete moved to accept, Fred seconded, all in favor

- Note: last two posted links on website state "Minute" not plural

New Members: none

Treasurer's Report: No new numbers, moved, accepted, all in for

Membership Report: none

Field Reports:

- Redwing: Good to fly, though tires might need to be moved. Several of us will try to get out this Thursday around 3pm ... before dark.
- Wallkill: Per Bill Barnart: New gravel road to our field is in. Just go straight on the parking lot behind the clubhouse to the new road which will lead to the field while missing the septic field. Bill also mentioned that the relationship between the gun club and the farmer is changing so we should keep an eye on farmer fees and lease.

Old Business:

- Hats and shirts: Roxanne looking into information. Pete asked about the 3 designs he had submitted. I think while prices are being investigated we should also try to finalize a design by asking for further submissions then sharing all with the club for a vote.

New Business:

- 2025 Budget: Fred shared the proposal. Due to lack of quorum an email vote is necessary. Fred will share an electronic version of the proposal to facilitate this.
- Club officer Nominations: vote not possible. Bill Barnart did agree to run for VP.

Open Discussion:

Fred showed his old Gremlin as a suggested platform for a club activity of combat. We discussed the possibility of other platforms such as Bloody Wonder. Fred and I will research further so we can validate availability and projected cost for each platform so we can present it by next club meeting.

Meeting adjourned: 7:45 PM
